O R D E R

On February 28, 1980, the Commission issued an Order in Case No. 7150 wherein the Applicant, Jackson Purchase Electric Cooperative Corporation was ordered to refund to its customers all rates and charges collected from September 6, 1978 through February 28, 1980 in excess of those approved in said Order.

On March 28, 1980, the Applicant, in compliance with the Commission's Order of February 28, 1980, filed a refund plan with the Commission wherein they proposed to refund the \$357,194, the excess monies collected, to its customers, by a one time credit on the consumers May or June bills.

After reviewing the evidence of record and being fully advised, the Commission is of the opinion and FINDS that:

1. The Applicant has collected \$357,194 for the period September 6, 1978 through February 28, 1980, which should be re-funded to its customers.

2. That the plan submitted by the Applicant to refund said monies is fair and reasonable and should be approved.

IT IS THEREFORE ORDERED, that Jackson Purchase Electric Cooperative Corporation apply a one time credit on the May or June bills of its consumers to refund the \$357,194 due its customers.

IT IS FURTHER ORDERED, that upon completion of the refund directed herein, the Applicant shall file with the Commission a statement of the monies refunded to its customers.

IT IS FURTHER ORDERED that the information furnished the Commission by the Applicant in this case constitutes full compliance with the Commission's Order in Case No. 7150.

Done at Frankfort, Kentucky, this 20th day of May 1980.
